Acceleration Programme

Call for Projects

At least 80 innovative projects €20.000 to 30.000 in financial support for each to cover costs of service providers and:

Types of Innovation:

RADICAL

Groundbreaking innovations that create or transform markets

SUBSTANTIAL

Major improvements boosting efficiency & productivity of existing solutions

DISRUPTIVE

Significant advancements improving performance and competitiveness

INCREMENTAL

Minor refinements enhancing functionality or user experience

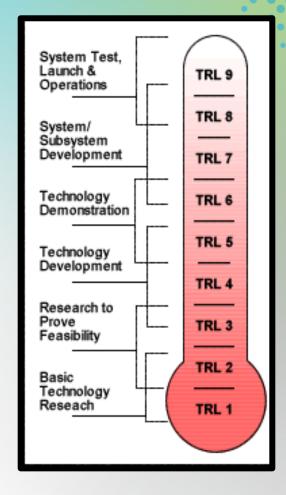

Call for Projects

Innovative Projects must be at **Technology Readiness Levels (TRL) 4, 5, 6, or 7** indicating that they are in the concept validation or development phases, suitable for rapid completion within the Programme's timeframe.

↓ Tip: TRLs definition and assessment tool: <u>https://horizoneuropencpportal.eu/sites/default/files/2022-12/trl-assessment-tool-guide-final.pdf</u>

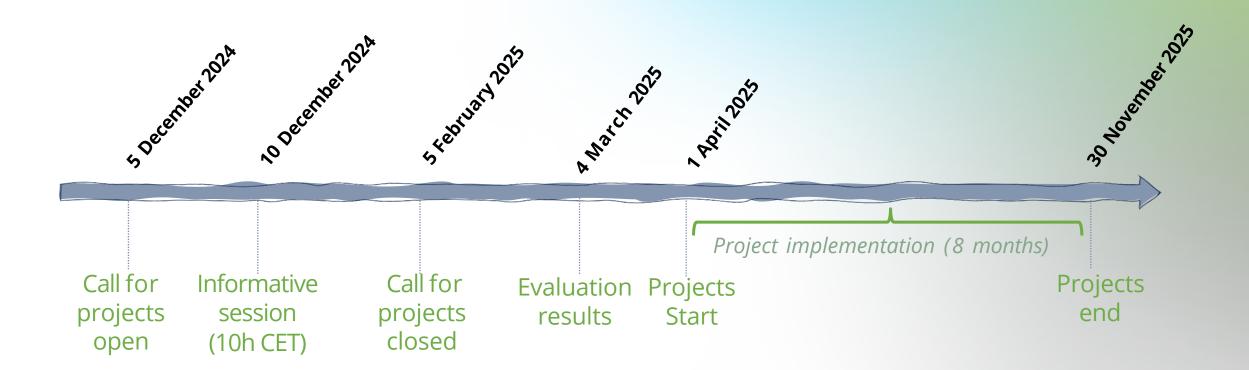

Call for Projects - Timeline

Can you apply for funding?

Who?

Applications can be submitted by:

• a single **SME**

 a consortium of <u>up to four</u> entities, comprising public and/or private organisations, with at least one SME

Tip:

Not sure your company is an SME? Check the SME definition according to the <u>EU recommendation 2003/361</u>.

Read the <u>Call guidelines</u> (3.1 Eligibility criteria) for the full eligibility criteria.

Where?

All entities must be based in Belgium (Flanders), France, Germany, Italy, the Netherlands or Spain (Catalonia).

Both the lead applicant and their partners <u>must be located in the same country</u>.

What to do before submitting the project?

Preparing you application properly will help you save time later!

- <u>1. Read carefully the documentation</u> provided:
- Under 'Get funding' on the webpage
- Call guidelines (read them in full!)

2. Attend information sessions:

- Online Informative session on 10 December 2024 at 10h CET
- Local Information Days

 $\hat{\mathcal{O}}$

If you have any doubts, refer to the <u>FAQ section</u> or get in touch and stay updated: **E-mail:** <u>call-inquiries@be-future.eu</u>

LinkedIn: <u>BEFuture</u>

Newletter: <u>Stay up to date - BEFuture</u>

What to do before submitting the project?

- <u>3. Download the **templates** of key documents</u>, they are to be submitted as part of your application:
- Courtesy Application form
- Pitch deck of the proposed project
- Budget breakdown

Download them all here!

₽ Tip:

Fill in these documents ahead of your submission.

On the portal, you will not be able to save and retrieve the information you have entered. Make sure you submit everything in one go.

How to apply?

Applications are submitted online through our <u>submission page</u>. In the case of a consortium, they must be submitted by the lead applicant on behalf of all project partners.

The Call opens on 5 December 2024 and closes on 5 February 2025 at 17:00 CET

Tip:

Start filling out your application in advance to avoid last-minute issues. No applications will be accepted after the deadline has passed!

KEY STEPS

Step 1: Registration

- First, you need to <u>register to the BEFuture</u> platform to get access to the submission portal. You can do this at any time, even before the call opens.
- Then, you will need to register your application and provide general administrative information about the consortium partners to demonstrate that you are eligible (Eligibility Check).

How to apply?

Step 2: Project description

You will be asked to submit the following in **English** or **your local language**:

- a project description including
 - ✓ the application form
 - ✓ a pitch deck of the proposed project (do not hesitate to include images or infographics reinforcing your ideas)
- a budget breakdown

Tips:

As you will not be able to retrieve or save your application in the submission platform, fill in the Word version of the courtesy application form and copy-paste its contents.

Be concise and provide what is requested in the application form.

Refer to Guidelines Annex IV to see the Award Criteria, which will help you complete a successful proposal.

Budget Breakdown

Read the *Instructions* carefully

- 1. Fill the **Project information** for the Lead applicant and project partners (if applicable)
- 2. Fill the *Budget* compulsory cells for *Travel* and *Services* costs (yellow cells)
 - Make sure that all costs are attributed to *Beneficiary* and a *Type of Activity*
 - At least, 1 SME per projects needs to attend the IBTM 2025 in Barcelona
- 3. Take into account the following budget rules:
 - Project budget must be over €20.000, grant amount ranging from €20.000 to 30.000
 - At least 70% of the grant amount must be allocated to the SME(s)
 - Training costs cannot exceed 15% of the budget, and communication costs cannot exceed 10%.
- 4. If existing, fill the "Other resources" sheet for Travel and Services (white cells).
- 5. Make sure that all elements of the *Budget checklist* are *Correct* and submit your budget

1. Project information

Costs financed through Other Resources								Please define the expected Deliverable (e.g. Plan, Strategy, Certificate, L Report, Software, Training, etc.) SPECIFIC.
	Beneficiary	Type of activity	Unit	Number of units Expected number	Unit value Average price	Cost	Justification	
OPTIONAL Please indicate other cost categories required and justify why they are needed for the success of the project.			Per service			€	-	
			Per service			€	-	
			Per service			€	-	
			Per service			€	-	
			Per service			€	-	
			Per service			€	-	
Total financed by Other resources							- €	
Project total budget = Grant amount (up to EUR 30 000) + Other resources (above)						€		

How to apply?

Step 3: Submission

Before hitting "Submit", double-check that your proposal is

- **Complete** (all forms completed and supporting documents uploaded)
- **On time** (submitted by 5 February 2025 at 17:00 CET)
- Compliant (submitted through our online submission page)

These 3 points form the admission criteria and will be checked before your project is evaluated!

What is evaluated?

What should you pay attention to when pitching your project?

These are the six <u>award criteria</u> your project will be rated on. More details on these criteria can be accessed in the guidelines.

Relevance – 10%

→ Highlight that your project aligns with the <u>Tourism Transition Pathway</u> and the overarching <u>goals of BEFuture</u> (sustainability, digitalization, and the positive impact on the business tourism, meetings, and professional events sector)

Innovation potential - 35%

→ What makes your project stand out as radical, disruptive, substantial or incremental innovation?

Feasibility – 25%

→ Show that what you propose is feasible in terms of technology, viability and market, and how you will manage risks related to these aspects.

Exploitation – 15%

→ Highlight how results will make a tangible difference in the business events sector and how they could be brought to the market and replicated elsewhere

Participants' capacity & team competence -10%

→ Demonstrate the necessary skills and resources among your team to implement your project effectively

Cost – Effectiveness -5%

Demonstrate a cost-effective use of resources in relation to the project's objectives and deliverables
